It's as easy to tour as to seen the mapto be as comfortable and secure on the road as at home. Miles shrivel to insignificance and distance is mastered by your gentle control.

Six and Twelve Cylinder Cars

The nearest approach to motor-magic are these "Highway" cars, so named because of their great touring radius. To the exceptional power of these engineering

achievements, to their giant like stamina is added an opulence of refinement and comfort. Their distinctive appearance has made them style leaders.

To build this ability into your National is possible only because of fifteen years continued success; possible because of National's policy to build for perfection and not for numbers or price.

Only a ride can convey to your mind how far superior these new craft actually are. Don't deprive yourself of the best when National prices are so
